

A \$100 GIFT buys enough school supplies for 12 students in need!

Dear Dr. and Mrs. Molfenter,

It's tough to stretch a dollar – but not at Crayons to Classrooms. Our buying power is tremendous: **For every \$100 you donate, 12 students living in poverty will get all the basic school supplies they need to succeed this semester.**

That's important, since parents of these students have to choose between food and school supplies. Teachers tell us, "Without Crayons to Classrooms, my students wouldn't have what they need."

This year, we're serving a record 100 high-need schools in the Miami Valley. **That's more than 35,000 students who'll go back to school without pencils or a notebook – unless you help.**

No child wants to be seen as the one without the basics. So please, make a generous financial gift to Crayons to Classrooms today, **and help students in need feel confident, prepared – and eager to learn.**

With sincere gratitude,
Steve Rubenstein, Executive Director, Crayons to Classrooms

**Donate \$100 to help
12 students.**

**Or, donate \$500 – and
help 60 students!**

**Donate online at dc2c.org/donate
or mail your donation using the
envelope provided.**
