

GIVE YOUR CHILD
AN EXCELLENT
EDUCATION
INSPIRED BY FAITH

Our Catholic faith is at the center of who we are and what we do at St. Christopher School.

Every day we teach students to be like Jesus and to lead by example: to show compassion, help others, respect and protect life, and love one another. Students learn they are beloved sons and daughters of God who are infinitely loved, no matter what.

Prayer directs our lives and unifies our school. Students learn how important it is to pray for their classmates, families, teachers, and friends in times of need.

To grow in faith, we talk about our faith freely. Students hear a consistent message about faith in God as they begin to form their own opinions about what they believe, and why they believe.

When you send your child to St. Christopher, you will witness the profound impact of faith on every aspect of your child's education.

"I didn't realize until my kids came here how much they'd been missing."

SET THE STAGE
FOR THE REST OF
YOUR CHILD'S LIFE

BE PART OF ONE LOVING FAMILY

At St. Christopher School, we love each student as a child of God.

Because students feel loved here, they know they belong here. That is why they excel here.

No student is ever invisible, because everyone knows everyone:

- Students love each other like brothers and sisters.
- Teachers know each student personally.
- Our families trust and rely on one another.

These relationships tend to become lifelong connections.

Beginning on Day 1, you will see that your child and every child is cared for with love, attention, and respect.

Because St. Christopher School gives students responsibilities, each child feels wanted and needed, important and valued.

OFFER YOUR CHILD ENDLESS OPPORTUNITIES

Students get the chance to live their faith, improve and excel in academics, engage in extracurriculars, practice leadership, and volunteer in service to their community.

They can worship at weekly Masses, pray the Rosary, and experience school traditions, like our Praise Walk and retreats.

Because students feel safe here, they have the courage and confidence to take risks, try new things, and learn from mistakes. Students who practice leadership gain confidence in their ability to lead; students who volunteer experience humility as they put the needs of others first.

Your child will discover and develop talents inside and outside the classroom that might otherwise remain unexplored.

Older students believe it is a privilege to be role models for the younger students.

JOIN A COMMUNITY WITH GREAT EXPECTATIONS

Being part of St. Christopher School is a blessing. All of us choose to be here. That is why our teachers, staff, students, and parents share the same expectations:

- Students are expected to be friendly and kind, follow the rules, respect one another, and use manners – and they do.
- Teachers provide direction, but students are expected to learn and practice solving their own problems. Students cooperate and collaborate with others, and take personal responsibility for their actions.
- Students motivate one another to work harder, be better, and never give up.

Because we are “in this together,” you will find we work together, solve problems together, and celebrate success together.

Teaching is a ministry for every teacher at St. Christopher.

CREATE MOMENTUM FOR LIFE

As early as preschool and kindergarten, students start to build a personal relationship with God.

Because they get to practice their beliefs and live out their values, these values and beliefs become habits over time.

Students learn that rewards come from planning, organization, responsibility, initiative, and hard work, so they graduate with a well-developed work ethic – and a mastery of core concepts and subjects.

As they discover their gifts, students begin to discern their purpose and live the life God intended for them to live.

Your child will enjoy a smooth transition to high school because graduates of St. Christopher are so well-prepared.

Each student learns how to be a good person, with a good heart.
